

## Campus Griebnitzsee

August-Bebel-Str. 89

14482 Potsdam

Plan: Campus Griebnitzsee

Our chair of Business Informatics, Processes and Systems is located at Building 1. Please take a look at the pictures and descriptions for further details.

## Arriving by car

Potsdam and Berlin are connected through the highway A10 („Berliner Ring“). On the picture below you will see more details.

Departing from south Berlin, please take the A115 or departing from northern Berlin please take the A111, heading south. Take the exit "Potsdam Babelsberg". Drive towards Potsdam-Babelsberg/Potsdam-Zentrum. You should now be on the expressway "Nutheschnellstrasse". Travel 2,5 km, take the exit ("Wetzlarer Str.") and turn right, drive straight ahead until the end of the road. There you have to turn left to the "Wetzlarer Str.", which will later be called "August-Bebel- Str.".

After 1 km you will arrive to the campus of the University of Potsdam on the right hand side. You should now turn right into the "Stahnsdorfer Str.", after about 500 m turn left onto the campus. There you will find the University's parking lot.

## Arriving by public transportation

### From Potsdam

Please take the local railway („S-Bahn“) S7 from the Potsdam central train station or from the Babelsberg train station, direction towards S Bhf Ahrensfelde until you arrive at the train station Griebnitzsee. Once arrived there, it is a five minutes walk to our Griebnitzsee offices. Please take a look at the location map above for the route from the train station to our chair. Our chair is located at Building 1, second floor.

### From Berlin

Take the local railway („S-Bahn“) S7 from S Berliner Hauptbahnhof (Berlin central station) direction to the station Griebnitzsee. Once arrived there, it is a five minutes walk to our Griebnitzsee offices. Please take a look at the location map above for the route from the train station to our chair. Our chair is located at Building 1, second floor.

To access current train schedules we recommend the following website:  
<http://www.bahn.de>.

Please consider to buy a BVG ticket for Berlin ABC or at least Berlin BC or Potsdam AB.
